

DONOR NAMING AND DEDICATION OPPORTUNITIES

Ignite PI is taking on an innovative fundraising campaign. We are re-dedicating the Northeastland Hotel as the iconic Downtown business it has always been, to re-ignite community development in the heart of Presque Isle. With your generosity we are setting the minimum goal to fundraise \$500,000.00 to prove our County pride and the future success of our City. Our promise to you is that all funds contributed to this campaign will be utilized toward the acquisition and renovation of the property.
